**Goffstown Senior Residents
Petition to Raise the Elderly Income Limit to Qualify
For an Elderly Exemption
October 7, 2025**

*Denise Lemay SOC
Marie Morgan, SOC.*

The undersigned Goffstown residents submit this petition to raise the elderly income limit allowable under RSA 72:39a to qualify for an elderly tax exemption. The current limit is \$42,500 if single, or if married, a combined income of not more than \$60,000 (including Social Security). We seek through this petition to raise the income limit to \$47,000 if single, or, if married, a combined income of not more than \$66,000.

The income limit has been at the existing level since 2023. Inflation into 2026 is about 10% and that is reflected in the revised numbers above.
