

**The Goffstown Fire & Rescue Association - Santa Flight Route**

**December 13, 2025**

**Please note: All times are approximate depending on weather, road and traffic conditions.**

**For safety and social distancing reasons Santa will not be stopping during the flight.**

**Because we don't have the time to go to every street in Goffstown and many are not appropriate to take the Tower Truck down for non-emergencies, we have loops through Mountain View Middle School, Goffstown High School and Shaw's Plaza where families can park and see Santa in comfort and safety.**
